TRAINING WORKSHOPS:

We are proud to announce the completion of the
D.A.R.E. keepin' it REAL (KiR) elementary
curriculum. The new D.A.R.E. kiR elementary
curriculum continues many of the strengths of
previous D.A.R.E. lessons; however, significant
improvements have been made to help you be even
more effective in encouraging your students to lead
safe, responsible, and drug-free lives.
There will also be workshops designed to improve communication
skills, develop drug awareness, address school safety
and violence issue, plus several other D.A.R.E.
certification courses. We will also have nationally
recognized presenters at general sessions.
Conference registration includes access to all
conference activities including: general/plenary
sessions and workshops, welcome reception, awards
luncheon, and conference banquet.
